## MAYOR'S MESSAGE - Reef Feast 2019

Take the beauty of Palm Cove and complement it with some of the best tropical food around, music, entertainment and local crafts and arts and it's a recipe for success.

The annual Reef Feast event, to take place from 4-6 October, has gone from strength to strength since its inception in 2012. Tourism Palm Cove is to be congratulated on its commitment to this annual spectacular which offers locals and tourists the opportunity to experience the Tropical North the way it was intended.

Reef Feast very much adds to Cairns' reputation as a vibrant city and it is events such as this that really connect with our residents at a genuine community level and contribute to our region's sense of place and pride.

This year's event promises to be bigger and better than ever and I wish the organisers every success in 2019 and for future years.
